

The CCHS Foundation's Read-A-Thon

The CCHS Foundation is launching its first-ever Read-a-Thon! We hope that you will be able to take part. Our goal is to reach out to our local communities while raising money in a fun, simple way that anyone can enjoy. The read-a-thon will begin on May 1st and will run through May 15th. During this 2 week period, you or your child can set personal reading goals and then read daily for as many minutes as possible. Family, coworkers, neighbors, and friends can sponsor you or your child with a fixed donation or can make a pledge per 15 minutes of reading. All money raised goes to the CCHS Foundation. Anyone who would like a donation receipt should donate directly through our website at <http://cchsnetwork.org/>. Otherwise, donations can be collected and mailed to the CCHS Foundation at the address listed below.
