

Conference Participants

Good morning, Sunshine!

For many people, today is just your average Thursday. But not for our family! Today, we are waking up in Newport Beach, California at the CCHS Network Family Conference. We have gathered with other CCHS families from around the world to RISE & SHINE for our orphan disease.

Over the next two days, we will hear from CCHS experts on clinical recommendations and research developments. We will cry, laugh and share meals with the few people who understand our unique journey. We will dream about drug development and advocate for medical advancements. And we will harness our combined light to attract the world's attention.

So today, on this very important Thursday, we are asking for your help in brightening our community's future. Please consider making a donation to the CCHS Network to strengthen its impact on research, education and family support. This can be done by...

-Texting "SHINE4CCHS" to 44321. Please be sure to hit the "Dedicate This Gift" button under the amount to increase my chances of winning a prize.

-Or going to www.cchsnetwork.org/donate and select "Honorary Gift" to include my name.

During this evening's dinner reception, the lights will blink for every hundred dollars collectively raised! So please try to make your donation by 7p PST if possible. And remember...every single penny makes a difference so no amount is too big or too small.

Thank you, as always, for your love and support!
